Your home for high quality Terminal Insulators and Electro Mechanical components.

DOCUMENTATION CHARGES

As of 1st of January 2025, the VTE factory and Quality Management Team have introduced the following charges for PPAP and FAI documentation costs.

Should this be required, please email a purchase order specifying the part number and the PPAP Level or FAI required.

Lead time for documentation is approximately 5 to 7 business days.

PPAP - Production Part Approval Process

- Terminal Insulators PPAP Level 1 - USD \$250
- Terminal Insulators PPAP Level 2 - USD \$250
- Terminal Insulators PPAP Level 3 - USD \$350
- Terminal Insulators PPAP Level 4 - USD \$350

- Electro Mechanical PPAP Level 1 - USD \$350
- Electro Mechanical PPAP Level 2 - USD \$550
- Electro Mechanical PPAP Level 3 - USD \$650
- Electro Mechanical PPAP Level 4 - USD \$650

FAI - First Article Inspection

- FAI (Terminal Insulators) - USD \$350
- FAI (Electro Mechanical) - USD \$350
